Mid-Coast RDC Training Registration Policy

All registration fees will be non-refundable.

If you register for a training session and cannot attend, we are no longer able to refund your fee. This is in keeping with the policies of our sister RDC agencies and the area adult education programs for the most part.

If, however, we cancel or reschedule a session due to stormy weather or low enrollment, we will issue a credit to be used within one year.

The staff of Mid-Coast RDC is committed to child care providers receiving the training they need. Please do not hesitate to call if you have questions about this change in policy.
